### myPaySystems Benefits - Power Your eBusiness with more than Payment Processing

#### One Stop Shop Internet Payment Solutions for:

- Merchants selling shippable products
- Merchants selling soft goods and/or memberships
- Merchants who want to use their own shopping cart and catalog with *myPaySystems Pro*

#### Exceptional Merchant Support

Our technical support team is dedicated to providing the best support to get you started, while our settlement department offers quick response times with weekly settlement.

#### Online Sales & Marketing Tools

*myPaySystems* provides you with a valuable set of tools that allow you to manage various types of promotions, offer Free Trials, allow Quick Sale Options, as well as analyze consumer purchase trends.

#### Merchant Control Center

Our advanced Merchant Control Center allows you to view pending, processed or archived transactions, issue refunds and manage currencies offered. The reports are detailed and easy to reconcile. We can even help you build customer loyalty and repeat business with our list building and emailing tools.

#### Dedicated Consumer Billing Support

*myPaySystems* is truly unique, we offer live and web-based consumer support so you have your customer billing support running 24/7, effortlessly!

#### Fraud & Loss Prevention Services

*myPaySystems* understands the unique fraud challenges facing ebusinesses. PS Fraud Guard, our sophisticated fraud screening system together with our chargeback control mechanisms, will reduce your losses due to fraud and minimize back office paperwork.
